

Offerings / Astrology

Basic Planet to House Chart Feeling

A list of the way each planet's house placement plays out in your feelings and reactions.

—> \$25

Reflective Timeline Exploration

Explore important events, circumstances or relationships of your past alongside transits of your chart to gain clarity and understanding.

—> \$20 first 10 minutes :: followed by \$1/minute

Family Chart Dynamics

Explore not only your own chart but those of your parents and/or relatives to analyze and clarify the root of the relationship dynamics formed and discover potential limits as well as possible harmonizing solutions to heal familial wounds or rifts.

—> \$50 first 30 minutes :: followed by \$1/minute

Chart Reading of Another (friend, lover, parent, child, coworker etc.)

Uncover the unconscious motivations, tendencies and chemistry of those close to you.

—> \$1/minute :: minimum 15 minutes

You + Others

Compare synastry compatibility between your chart and others and discuss which placements will manifest for you in what ways, the lessons they teach, who to watch out for, who is helpful etc.

—> \$20 first 10 minutes :: followed by \$1.50/minute

Predict Potential Periods of Positive versus Negative

Use your birth chart to look ahead and see when the tough times might begin...or end if you're currently experiencing hardship. Some transits take up to 14 years, others only days or weeks. Discover your strong, easy transits and your challenging, tougher transits.

—>\$2/minute

Tarot, Numerology & Astrology Package

Use multiple forms of divination and fortune reading to reflect on the self, the life, and to ask questions about the now and future.

—> \$40 first 25 minutes :: followed by \$2/minute

Intuitive Reference Reading

Bring a photo, share a story, make a list, bring a reference item, etc. You will receive my immediate intuitive downloads around the matter with option to clarify via tarot and/or astrology or numerology.

—> \$22 :: maximum 15 minutes
